

# Lenovo ThinkPad E14 GEN 3

Introducing Windows 11, an OS designed for hybrid work. It is built on the familiar Windows foundation but reimagined to boost employee productivity and enhance collaboration on the most secure version of Windows yet. It is more productive, more collaborative and consistent for IT, and secure for all.

The Lenovo ThinkPad E14 Gen 3 is a focused, work-oriented laptop made for modern business professionals. Equipped with the latest AMD Ryzen™ 5000 Series mobile processors and **a simple, powerful UX with Windows 11 Pro OS**, it is built to be worked on and used all day, every day. It comes with the choice of two AMD family offerings to suit any business performance requirement. Built with a blend of sharp, minimalist design, MIL-SPEC durability, and precision engineering, E14 Gen 3 is a unique class of business laptops.

As a ThinkPad, it is built sturdy and sleek with Aluminum panels on the top and bottom covers, available in Black and Mineral Metallic color options. Smart integration of Windows 11 Pro Zero Trust-ready security features ensures that the device is a stronghold of sensitive data while not getting in the way of user experience.

# Lenovo ThinkPad E14 GEN 3

### SIGNATURE LOOKS REFINED

Having a laptop that looks good and feels good is an important part of any purchase decision. E14 Gen 3 carries the ThinkPad legacy, rendering it business-grade in style and features. Available in a Mineral Metallic variant as well as the signature black, it is a device that you would want to carry with you everywhere. Aluminum panels on the top and bottom bring the weight down—starting at 1.64kg/3.62lbs., and with a 17.9mm thickness<sup>1</sup> it is easy to hold or slip into a bag.

### MULTIMEDIA EXPERIENCES ELEVATED

Designed to be a daily driver, the visual and aural aspects of this laptop are top-notch. The panel, housed in a narrow-bezel chassis, can be specced up to an IPS, 100% sRGB, FHD, putting out up to 300nits—perfect in any lighting condition. **With its centered Start, clean layouts, and effortless navigation, Windows 11 makes for a highly intuitive user experience.**

### SECURITY SOLUTIONS ENHANCED

For those working remotely, security is non-negotiable, and the E14 Gen 3 comes with layers of protection. A fingerprint reader<sup>2</sup> built into the power button and an IR camera<sup>2</sup> with **Windows Hello** facial authentication ensure that no unauthorized person gains access to your device. ThinkShutter camera cover is a simple, effective way to stay guarded against prying eyes. Firmware-based TPM encrypts data, locking it away.

### CONFERENCING FEATURES UPDATED

Dual mic arrays and 720p HD camera make meetings seamless—at home, on the move, or in the office. If required, the option to connect headsets through the combo audio jack and up to Bluetooth<sup>®</sup> 5.2 adds a layer of privacy. **Elevate office meetings to a new level with Harman branded speakers and Microsoft Teams integrated with the new Windows 11 taskbar. Now access contacts, turn on mute/unmute or share apps with one click.<sup>3</sup>**

## performance

**AMD Ryzen™ 5000 Series mobile processors with AMD Radeon™ graphics deliver exceptional performance.<sup>4</sup> Up to 24GB of DDR4 3200Mhz memory keeps everything responsive while Windows 11 makes for seamless, highly productive workflows.**

## user experience

**Easily automate workflows across apps with Microsoft Power Automate on Windows 11. Simplify routine tasks like reporting, data entry, scheduling, and more with a low-code, guided process and hundreds of pre-built connectors.** Up to 1.5TB of M.2 SSD with dual SSD option means reading and writing large files is fast and reliable.

## connectivity

**A complete set of ports—including full function USB-C, HDMI, USB-A, and always-on USB—make connecting to peripherals hassle-free. With Windows 11, Windows and apps on the external monitor minimize automatically to the taskbar when users disconnect and restore when users reconnect, ensuring uninterrupted productivity.**

Integrated FPR on power button<sup>2</sup>

85% STBR design with up to 100% sRGB, 300nits display

Dolby® Audio™ and HARMAN-branded stereo speakers
